

## **Two signers wanted for work on major sports tournament**

**FOCUSFIVE** is a Zurich-based creative media venture for audio-visual production. Our core business is film and video production (web films, HD films, live streaming).

### **Sign language video production - [GSVIDEO.ch](http://GSVIDEO.ch)**

In order to build a bridge between the hearing and the deaf world we offer our service whose objective is: to understand each other. We produce sign language videos for all public companies, institutions and organisations. We translate companies' texts into Swiss German, French, Italian, or international sign language. On behalf of a major sports Federation we are translating all 64 match reports into international sign for a summer tournament.

**From 11 June to 11 July, we are looking for two signers (m/f)**

Your tasks:

Translation of English texts into International Sign

Requirements:

- deaf or hard of hearing
- good English with experience in translation into sign language
- very good international sign
- 18-40 years of age
- good knowledge of sport
- visual flair, visual talent
- technical talent, experience with autocue preferred
- flexibility and social competence

Location: FOCUSFIVE studio in Zurich, Switzerland

Compensation, accommodation and travel expenses will be covered by FOCUSFIVE.
